

BUILDING AMERICA 2.0

SEIZING THIS ONE-IN-A-GENERATION OPPORTUNITY TO GROW AND THRIVE

November 9, 2023 | 8:00 - 10:00 AM

Somerset Inn | 2601 W. Big Beaver Rd. Troy, MI

Join the Construction Association of Michigan, in partnership with Calderone Advisory Group, as we unveil the roadmap to ushering in a golden era of construction right here in Michigan. This session is designed to equip Michigan's construction industry leaders and enthusiasts with the insights and strategies needed to navigate the plethora of opportunities on the horizon.

\$50 Registration Fee

LEARNING TOPICS

The argument of conversion of office space to hotels in Detroit.

Identifying and strategizing against potential risks and obstacles in the American 2.0 buildout.

An overview of governmental stimulus programs and how they will impact Michigan's construction economy.

The favorable conditions supporting Metro Detroit's industrial sector.

SPEAKERS

Alex Calderone
Calderone Advisory Group

Patrick S. Bero
Calderone Advisory Group

Alex Calderone is a seasoned advisor in the construction sector, with a history of guiding contractors and skilled trade organizations across the U.S. through various economic cycles. His expertise in turnaround and transaction advisory services has been critical in both booming and challenging times.

Patrick S. Bero brings to the table over 30 years of rich experience serving diverse sectors including real estate, hospitality, gaming, financial, and public sectors.
